## Abstracts

The global Luxury Vacation Rentals market size is expected to reach \$ 3274 million by 2032, rising at a market growth of 6.8% CAGR during the forecast period (2026-2032). Luxury Vacation Rentals refer to a premium segment within the holiday accommodation market that offers highly exclusive, high-service, and exceptionally appointed private residences or villas for short-term stays. These properties are characterized by bespoke architectural design, prime and unique locations, high-end furnishings, private pools, sophisticated entertainment systems, and access to dedicated services such as private chefs, concierges, and housekeeping. The core value of Luxury Vacation Rentals is providing high-net-worth travelers with an unmatched level of privacy, exclusivity, and deeply personalized experiences that often exceed those offered by conventional luxury hotels.

This report studies the global Luxury Vacation Rentals demand, key companies, and key regions.

This report is a detailed and comprehensive analysis of the world market for Luxury Vacation Rentals, and provides market size (US\$ million) and Year-over-Year (YoY) growth, considering 2025 as the base year.
