## Abstracts

According to our (Global Info Research) latest study, the global NetSuite Resellers market size was valued at USD 137.9 million in 2022 and is forecast to a readjusted size of USD 234 million by 2029 with a CAGR of 7.8% during review period. The influence of COVID-19 and the Russia-Ukraine War were considered while estimating market sizes.

NetSuite Resellers are NetSuite partners dedicated to the sale and support of the ERP suite NetSuite. These value-added resellers often add additional services or features to the platform based on the client's needs. A reseller aims to save clients money and increase their productivity. NetSuite is a provider of cloud-based financial software. This tool scales with businesses as they grow and streamlines critical processes. Buyers in the accounting and manufacturing fields can benefit from NetSuite. This tool improves the accuracy to procure-to-pay processes and manages inbound/outbound logistics in real time. NetSuite resellers often offer additional assistance, but in situations when they do not, buyers can turn to outside service providers, such as accounting firms, for additional support.
