The Global PA Systems market are fragmented, there are several famous players in the world, mainly from USA, Western Europe and Japan, which have a long history, they also set up plants in China.

The key consumption markets locate at NA and China in 2016. China takes the market share of 23.93%, followed by NA with 19.14%.

Prices vary widely with the brand from ten dollars to several thousands of dollars.

Looking to the future years, the slow downward price trend in recent years will maintain.
