Abstracts

Party Balloons are air-tight bags made out of latex a light material or foil that can be inflated with air or other gas. The ordinary air, or other gases such as helium, can be forced into them for expansion purposes. Latex balloons are available in all kinds of shapes, sizes, and colors to delight children and adults at birthday parties and other festive occasions or used as a tool of advertisement.

SCOPE OF THE REPORT:

This report focuses on the Party Balloon in global market, especially in North America, Europe and Asia-Pacific, South America, Middle East and Africa. This report categorizes the market based on manufacturers, regions, type and application. Latex Occidental accounted for 1.846% of the Global Party Balloon sales market share in 2016. Other players accounted for 1.129%, 1.116% including CTI Industries and BELBAL.

The market is not only influenced by the price, but also influenced by the product performance. The leading companies own the advantages on better performance, more abundant product's types, better technical and impeccable after-sales service. Consequently, they take the majority of the market share of high-end market. Looking to the future years, prices gap between different brands will go narrowing. Similarly, there will be fluctuation in gross margin.

Despite the presence of competition problems, due to the global recovery trend is slightly, investors are still optimistic about this area; the future will still have more new investment enter the field.

The worldwide market for Party Balloon is expected to grow at a CAGR of roughly 5.2%
