Abstracts

The global Nurse Training and Education market size is expected to reach \$ 12710 million by 2029, rising at a market growth of 3.3% CAGR during the forecast period (2023-2029).

Key market drivers for nurse training and education is the growing demand for skilled and competent nursing professionals worldwide. The healthcare industry is experiencing significant challenges, such as an aging population, increasing chronic diseases, and healthcare system complexities. As a result, there is a need for well-trained nurses who can provide quality care, contribute to patient safety, and effectively navigate the evolving healthcare landscape.

Nurse training and education are essential components of preparing individuals to enter the nursing profession and ensuring that current nurses stay updated with the latest knowledge and skills. The field of nursing requires a combination of theoretical knowledge and practical skills to deliver high-quality patient care.

This report studies the global Nurse Training and Education demand, key companies, and key regions.

This report is a detailed and comprehensive analysis of the world market for Nurse Training and Education, and provides market size (US\$ million) and Year-over-Year (YoY) growth, considering 2022 as the base year. This report explores demand trends and competition, as well as details the characteristics of Nurse Training and Education that contribute to its increasing demand across many markets.

Highlights and key features of the study

Global Nurse Training and Education total market, 2018-2029, (USD Million)

Global Nurse Training and Education total market by region & country, CAGR, 2018-2029, (USD Million)

U.S. VS China: Nurse Training and Education total market, key domestic companies and share, (USD Million)

Global Nurse Training and Education revenue by player and market share 2018-2023, (USD Million)

Global Nurse Training and Education total market by Type, CAGR, 2018-2029, (USD Million)

Global Nurse Training and Education total market by Application, CAGR, 2018-2029, (USD Million)

This reports profiles major players in the global Nurse Training and Education market based on the following parameters – company overview, revenue, gross margin, product portfolio, geographical presence, and key developments. Key companies covered as a part of this study include Duke University, Johns Hopkins University, University of Pennsylvania, University of California, Karolinska Institute, King's College London (KCL), University of Manchester, The University of Tokyo and Keio University, etc.

This report also provides key insights about market drivers, restraints, opportunities, new product launches or approvals, COVID-19 and Russia-Ukraine War Influence.

Stakeholders would have ease in decision-making through various strategy matrices used in analyzing the World Nurse Training and Education market

Detailed Segmentation:

Each section contains quantitative market data including market by value (US\$ Millions), by player, by regions, by Type, and by Application. Data is given for the years 2018-2029 by year with 2022 as the base year, 2023 as the estimate year, and 2024-2029 as the forecast year.
