Abstracts

The term baby care may conjure up images of bibs and blankets, but the baby care market, as defined by research company Euromonitor International, ranges all the way from products for newborns to those aimed at children under 11 years old. As such, the baby care market presents a wealth of challenges for brand owners.

SCOPE OF THE REPORT:

This report focuses on the Organic Baby Bathing Product in global market, especially in North America, Europe and Asia-Pacific, South America, Middle East and Africa. This report categorizes the market based on manufacturers, regions, type and application. The global baby care product market includes products related to baby hair care, baby skin care, toiletries, convenience, cosmetics and baby safety. The improvement in lifestyle and increasing importance of child safety are the prime drivers for global baby care products market. Baby skin care and baby toiletries account for prominent share in the global baby care products market and are anticipated to expand further in the coming years. However, baby hair care products have relatively smaller market share due to its low penetration. The increasing inclination of parents towards the use of shower gel for their baby's bathing is expected to significantly contribute to the growth of global baby care products market.

The worldwide market for Organic Baby Bathing Product is expected to grow at a CAGR of roughly xx% over the next five years, will reach xx million US\$ in 2023, from xx million US\$ in 2017, according to a new GIR (Global Info Research) study.
