## Abstracts

The global Outpatient & Home Infusion Services market size is expected to reach \$ million by 2030, rising at a market growth of % CAGR during the forecast period (2024-2030).

**Growing demand for medical services:** As the population ages and chronic diseases increase, the demand for medical services continues to grow. Outpatient and home infusion services, as a convenient and efficient medical service method that can meet the needs of patients for infusion treatment at home or outpatient clinics, have received widespread attention and application.

**Changes in patient needs:** With the improvement of people's living standards and changes in medical concepts, patients' needs for medical services are also changing. More and more patients want to receive infusion therapy at home to reduce the pressure on hospital beds while enjoying more comfortable and convenient medical services.

This report studies the global Outpatient & Home Infusion Services demand, key companies, and key regions.

This report is a detailed and comprehensive analysis of the world market for Outpatient & Home Infusion Services, and provides market size (US\$ million) and Year-over-Year (YoY) growth, considering 2023 as the base year. This report explores demand trends and competition, as well as details the characteristics of Outpatient & Home Infusion Services that contribute to its increasing demand across many markets.

Highlights and key features of the study

Global Outpatient & Home Infusion Services total market, 2019-2030, (USD Million)

Global Outpatient & Home Infusion Services total market by region & country, CAGR, 2019-2030, (USD Million)

U.S. VS China: Outpatient & Home Infusion Services total market, key domestic companies and share, (USD Million)

Global Outpatient & Home Infusion Services revenue by player and market share 2019-2024, (USD Million)

Global Outpatient & Home Infusion Services total market by Type, CAGR, 2019-2030, (USD Million)

Global Outpatient & Home Infusion Services total market by Application, CAGR, 2019-2030, (USD Million).

This reports profiles major players in the global Outpatient & Home Infusion Services market based on the following parameters – company overview, revenue, gross margin, product portfolio, geographical presence, and key developments. Key companies covered as a part of this study include FlexCare, McKesson, Option Care Health, OI Infusion, Palmetto Infusion, Medix Infusion, McLaren, Cleveland Clinic and Coram LLC, etc.

This report also provides key insights about market drivers, restraints, opportunities, new product launches or approvals.

Stakeholders would have ease in decision-making through various strategy matrices used in analyzing the World Outpatient & Home Infusion Services market.

Detailed Segmentation:

Each section contains quantitative market data including market by value (US\$ Millions), by player, by regions, by Type, and by Application. Data is given for the years 2019-2030 by year with 2023 as the base year, 2024 as the estimate year, and 2025-2030 as the forecast year.
