Abstracts

According to our (Global Info Research) latest study, the global Overbooked Flight Claim Service market size was valued at USD 926.1 million in 2022 and is forecast to a readjusted size of USD 1284.5 million by 2029 with a CAGR of 4.8% during review period. The influence of COVID-19 and the Russia-Ukraine War were considered while estimating market sizes.

Overbooked flight claim services have become increasingly popular in recent years due to the rise in the number of overbooked flights. These services help passengers who have been denied boarding due to overbooking to claim compensation from the airline.

The compensation amount varies depending on the airline and the specific circumstances of the overbooking. However, passengers are typically entitled to receive compensation for the inconvenience caused, such as the cost of alternative transportation or accommodation.
