## Abstracts

The global Overbooked Flight Claim Service market size is expected to reach \$ 1284.5 million by 2029, rising at a market growth of 4.8% CAGR during the forecast period (2023-2029).

Overbooked flight claim services have become increasingly popular in recent years due to the rise in the number of overbooked flights. These services help passengers who have been denied boarding due to overbooking to claim compensation from the airline.

The compensation amount varies depending on the airline and the specific circumstances of the overbooking. However, passengers are typically entitled to receive compensation for the inconvenience caused, such as the cost of alternative transportation or accommodation.

This report studies the global Overbooked Flight Claim Service demand, key companies, and key regions.

This report is a detailed and comprehensive analysis of the world market for Overbooked Flight Claim Service, and provides market size (US\$ million) and Year-over-Year (YoY) growth, considering 2022 as the base year.
