Abstracts

The global Padel Sports market size is expected to reach \$ 372.1 million by 2029, rising at a market growth of 7.2% CAGR during the forecast period (2023-2029).

Global key players of padel sports include Wilson, Head, Babolat and Dunlop. Global top four manufacturers hold a share about 56%. At the consumption level, Europe has the largest sales market, with a market share of about 50%. In terms of product, padel racquets is the largest segment, with a share about 93%. And in terms of channel, the largest channel is online sales, with a share about 66%.

Padel is a racquet sport. It is different from the sport known in the US and Canada as paddle tennis. Padel is typically played in doubles on an enclosed court roughly 25% smaller than the size of a tennis court. Scoring is the same as normal tennis and the balls used are similar but with a little less pressure.

This report studies the global Padel Sports production, demand, key manufacturers, and key regions.

This report is a detailed and comprehensive analysis of the world market for Padel Sports, and provides market size (US\$ million) and Year-over-Year (YoY) Growth, considering 2022 as the base year. This report explores demand trends and competition, as well as details the characteristics of Padel Sports that contribute to its increasing demand across many markets.
