Abstracts

According to our (Global Info Research) latest study, the global Party Supply Rental market size was valued at US\$ 374 million in 2024 and is forecast to a readjusted size of USD 607 million by 2031 with a CAGR of 7.2% during review period.

The party supply rental market involves businesses that offer for rent a range of party-related items, including but not limited to tables, chairs, linens, tents, decorations, catering equipment, and audio-visual equipment. This industry caters to individuals who host events such as weddings, birthdays, corporate parties, and other special occasions.

The party supply rental market is experiencing growth due to the increasing trend of people opting to rent items for various events and parties. Renting party supplies can be more cost-effective for individuals and businesses than buying items outright, especially for one-time events. The growing trend of hosting unique and personalized events is driving the demand for a variety of party supplies, which individuals may prefer to rent rather than buy. The overall increase in the number of events, including weddings, corporate events and private parties, has had a positive impact on the demand for party supplies rental services.
