## Abstracts

Pawn shop is a unique place for cash loans and selling or buying a wide range of items including jewelry, tools, electronics, guns, and other merchandises at a payment cost agreed upon by both the parties. These shops are a great option to retail old and unimportant products at a reasonable price rather than sell the products at a scrap shop. They are handled by knowledgeable staff for better value prediction and authentication of the product during resale.

According to our (Global Info Research) latest study, the global Pawnbroker market size was valued at USD million in 2022 and is forecast to a readjusted size of USD million by 2029 with a CAGR of % during review period. The influence of COVID-19 and the Russia-Ukraine War were considered while estimating market sizes.
