Pet Eye Care Wash is a product designed to clean and soothe the eyes of pets, such as dogs and cats. These solutions are typically formulated to remove dirt, debris, and discharge from around the eyes, helping to prevent infections and irritation. They can also assist in reducing tear stains, particularly in breeds prone to this issue. Most eye care washes are made to be gentle, using ingredients that are safe for pets and free from harsh chemicals. They are usually applied with a soft cloth or cotton pad, and some come in convenient dropper bottles for easy administration.
