## Abstracts

Pet care service providers that offer avian services are safeguarding birds from sickness, injury, and stress and boosting their businesses. Bird groomers keep feathers dry and clean, trim beaks and nails, and help with uncomfortable molting. Groomers that partner with retail stores can also suggest bird baths, sprays, and trimmers for new bird owners and offer a Frequent Flyer program for grooming services.

### SCOPE OF THE REPORT:

This report focuses on the Pet Health in global market, especially in North America, Europe and Asia-Pacific, South America, Middle East and Africa. This report categorizes the market based on manufacturers, regions, type and application. Driving growth at the premium end of the market, consumers are spending more on their pets. An increasing number of Americans consider them to be part of the family. Millennials are choosing dogs and cats over children until they're more settled. Small pets are much more likely to be indulged and humanized than large dogs.

The worldwide market for Pet Health is expected to grow at a CAGR of roughly 4.9% over the next five years, will reach xx million US\$ in 2023, from xx million US\$ in 2017, according to a new GIR (Global Info Research) study.
