Abstracts

This report studies the Pet Insurance market, Pet insurance is a type of specialty property and casualty insurance policy that pet owners purchase to cover the unintended costs that arise in providing care for a pet, including veterinary services such as surgical procedures, injuries from accidents, and prescribed pet medicines. Pet insurance is purely a reimbursement program. A form of property and casualty insurance, pet insurance provides reimbursement to the owner after the pet has received required care and the owner submits a claim to the insurance company.
