Abstracts

This report studies the Professional Liability Insurance market. Professional liability insurance (PLI), also called professional indemnity insurance (PII) or errors & omissions (E&O), is a form of liability insurance which helps protect professional advice- and service-providing individuals and companies from bearing the full cost of defending against a negligence claim made by a client, and damages awarded in such a civil lawsuit.

The coverage focuses on alleged failure to perform on the part of, financial loss caused by, and error or omission in the service or product sold by the policyholder. These are causes for legal action that would not be covered by a more general liability insurance policy which addresses more direct forms of harm. Professional liability insurance may take on different forms and names depending on the profession, especially medical and legal, and is sometimes required under contract by other businesses that are the beneficiaries of the advice or service.

According to our (Global Info Research) latest study, the global Professional Liability Insurance market size was valued at US\$ 46390 million in 2023 and is forecast to a readjusted size of USD 58160 million by 2030 with a CAGR of 3.3% during review period.

Global Professional Liability Insurance key players include Chubb, AIG, AXA, Hiscox, Allianz, etc. Global top five manufacturers hold a share over 25%.
