Abstracts

According to our (Global Info Research) latest study, the global Professional Wrestling market size was valued at US\$ 1738 million in 2024 and is forecast to a readjusted size of USD 2678 million by 2031 with a CAGR of 6.4% during review period.

Professional wrestling is a form of theater that revolves around mock combat performed in a squared ring, with the premise being that the performers are competitive wrestlers. The storylines are typically based around interpersonal conflicts between good-natured 'faces' and villainous 'heels'. The ring is the main stage; additional scenes may be recorded for television in backstage areas of the venue, in a format similar to reality television.
