Abstracts

The global Psychic Readings Service market size is expected to reach \$ 884 million by 2032, rising at a market growth of 5.6% CAGR during the forecast period (2026-2032).

Spiritual medium divination services refer to paid, personalized, and interactive readings provided by professional spiritual mediums, psychics, clairvoyants, tarot readers, astrologers, and other traditional fortune-telling consultants via telephone, instant messaging, video, email, mobile applications, or organized offline stores. Service providers typically interpret questions raised by consumers regarding emotional relationships, career development, financial direction, life choices, family relationships, communication with the deceased, or future trends using intuition, spiritual communication, tarot or oracle cards, astrological charts, numerology, palmistry, Four Pillars of Destiny, astrology, and other regional traditional methods. Commercial spiritual medium divination services are not legally recognized in China; these businesses are located in other regions.
