## Abstracts

The global Recruitment market size is expected to reach \$ million by 2032, rising at a market growth of %CAGR during the forecast period (2026-2032).

Recruitment (hiring) is a core function of human resource management. Recruitment refers to the process of finding and hiring the best-qualified candidate (from within or outside of an organization) for a job opening, in a timely and cost effective manner. The recruitment process includes analyzing the requirements of a job, attracting employees to that job, screening and selecting applicants, hiring, and integrating the new employee to the organization. Internet-based technologies to support all aspects of recruitment have become widespread.

In Asia Pacific, Recruitment key players include Adecco, Randstad, Manpower, Recruit, Allegis, etc. Asia Pacific top five manufacturers hold a share over 15%. India is the largest market, with a share over 4%.

In terms of product, Digital Recruitment is the largest segment, with a share over 75%. And in terms of application, the largest application is Recruitment of Permanent Staffing, followed by Recruitment of Temporary Staffing.
