Abstracts

The global Same-day Delivery market size is expected to reach \$ 421250 million by 2032, rising at a market growth of 37.6% CAGR during the forecast period (2026-2032).

This report studies the Same-day Delivery market, which from the order placed to shipment completed is not beyond one day. Same-day delivery has the potential to fundamentally change the way we shop. It integrates the convenience of online retail with the immediacy of bricks-and-mortar stores. In recent years an increasing number of companies have started piloting and operating new models of same-day delivery. Demand is expected to increase significantly given the compelling value proposition of same-day delivery for consumers.

Global Same-day Delivery key players include A-1 Express, DHL, TForce Final Mile, UPS, USA Couriers, etc. Global top five manufacturers hold a share about 30%. USA and China is the largest market, both with a share about 25%, followed by Europe, with a share about 15 percent. In terms of application, the largest application is B2B, followed by B2C.

This report studies the global Same-day Delivery demand, key companies, and key regions.

This report is a detailed and comprehensive analysis of the world market for Same-day Delivery, and provides market size (US\$ million) and Year-over-Year (YoY) growth, considering 2025 as the base year. This report explores demand trends and competition, as well as details the characteristics of Same-day Delivery that contribute to its increasing demand across many markets.
