Abstracts

Accounts payables (AP) and spend analysis software tracks corporate spend and AP to identify trends, risks, and optimization opportunities. This type of software consolidates information from multiple sources or entities on procurement spending and payables. AP and spend analysis software provides companies with visibility into payables and procurement information such as reconciled external data against internal transaction data, which enables managers to reduce unnecessary spending and recover supplier payments. This software sometimes uses artificial intelligence (AI) technology to identify errors in AP processes such as duplicate payments, anomalies, and fraud, as well as assist in recovering overpayments, duplicate payments, or unused credits from suppliers. This type of software is used by procurement professionals and by AP departments to track and report on supplier and contract compliance.

According to our (Global Info Research) latest study, the global Accounts Payable (AP) & Spend Analysis Software market size was valued at USD million in 2022 and is forecast to a readjusted size of USD million by 2029 with a CAGR of % during review period. The influence of COVID-19 and the Russia-Ukraine War were considered while estimating market sizes.

This report is a detailed and comprehensive analysis for global Accounts Payable (AP) & Spend Analysis Software market. Both quantitative and qualitative analyses are presented by company, by region & country, by Type and by Application. As the market is constantly changing, this report explores the competition, supply and demand trends, as well as key factors that contribute to its changing demands across many markets. Company profiles and product examples of selected competitors, along with market share estimates of some of the selected leaders for the year 2023, are provided.

Key Features:

Global Accounts Payable (AP) & Spend Analysis Software market size and forecasts, in consumption value ($ Million), 2018-2029

Global Accounts Payable (AP) & Spend Analysis Software market size and forecasts by region and country, in consumption value ($ Million), 2018-2029

Global Accounts Payable (AP) & Spend Analysis Software market size and forecasts, by Type and by Application, in consumption value ($ Million), 2018-2029

Global Accounts Payable (AP) & Spend Analysis Software market shares of main players, in revenue ($ Million), 2018-2023

The Primary Objectives in This Report Are:

To determine the size of the total market opportunity of global and key countries

To assess the growth potential for Accounts Payable (AP) & Spend Analysis Software

To forecast future growth in each product and end-use market

To assess competitive factors affecting the marketplace

This report profiles key players in the global Accounts Payable (AP) & Spend Analysis Software market based on the following parameters - company overview, production, value, price, gross margin, product portfolio, geographical presence, and key developments. Key companies covered as a part of this study include Precoro, SAP, SpendHQ, AppZen and PRM360, etc.

This report also provides key insights about market drivers, restraints, opportunities, new product launches or approvals, COVID-19 and Russia-Ukraine War Influence.

Market segmentation

Accounts Payable (AP) & Spend Analysis Software market is split by Type and by Application. For the period 2018-2029, the growth among segments provide accurate calculations and forecasts for consumption value by Type and by Application. This analysis can help you expand your business by targeting qualified niche markets.
