The global Shopfitting Service market size is expected to reach \$ 2058.7 million by 2029, rising at a market growth of 5.8% CAGR during the forecast period (2023-2029).

Global key players of Shopfitting Service include Gensler, Hooyi Group, Beijing Ruixiang Decoration, CallisonRTKL, etc. The top four players hold a share over 22%.

Asia-Pacific is the largest market, has a share about 42%, followed by Europe and North America, with share 23% and 21%, separately.

In terms of product type, Street Shop is the largest segment, occupied for a share of 68%, and in terms of application, Apparels and Footwear has a share about 43%.

Shopfitting services are the process of designing, planning, manufacturing and installing fittings, fixtures and equipment for retail businesses. These services include refurbishing existing stores or furnishing new ones to create an environment that attracts customers while serving the business. Shop fitting services can cover everything from installing display cases, shelves and counters to electrical and plumbing work, signage and lighting. The goal of shop fit-out services is to enhance the appearance of a store, create a warm and pleasant shopping experience for customers, and optimize the use of existing space.
