Abstracts

Shower Trolley is a type of trolley which can have a shower on it, a mobile units used for showering immobile patients.

Scope of the Report:

This report focuses on the Shower Trolley in global market, especially in North America, Europe and Asia-Pacific, South America, Middle East and Africa. This report categorizes the market based on manufacturers, regions, type and application. Shower Trolley industry is a little bit fragmented, manufacturers are mostly in the Europe. And Europe sales value accounted for more than 39.18% of the total sales revenue of global Shower Trolley, followed by North America. ArjoHuntleigh is the world leading manufacturer in global Shower Trolley market with the market share of 37.14%.

Compared to 2015, Shower Trolley market managed to increase sales by 5.83 percent to 64.21 million USD worldwide in 2016. Overall, the Shower Trolley market performance is positive, despite the weak economic environment.

In the past few years, as the main raw material price was relatively stable, with the increasing in production capacity, expected that the Shower Trolley raw material price will be stable in the short term. However, the improvement of energy, transportation costs, and labor costs, will play a significant role in promoting the cost of Shower Trolley.

There are companies adding new capacities and aims at the cost and quality leadership which

shall improve profitability. As the same time, companies are focusing on technological innovation, equipment upgrades, and process improvements, to reduce costs and improve quality.

The average price of Shower Trolley will fall further. The product average price declined in the past few years due to the technology development, the average price will keep this trend in the few future years due to increasing mature manufacturing technology and cost of raw materials.

The worldwide market for Shower Trolley is expected to grow at a CAGR of roughly 6.0% over the next five years, will reach 100 million US\$ in 2023, from 69 million US\$ in 2017, according to a new GIR (Global Info Research) study.

Market Segment by Manufacturers, this report covers
