## Abstracts

According to our (Global Info Research) latest study, the global Small Private Dental Support Organization market size was valued at USD 548.7 million in 2022 and is forecast to a readjusted size of USD 714.6 million by 2029 with a CAGR of 3.8% during review period. The influence of COVID-19 and the Russia-Ukraine War were considered while estimating market sizes.

Dental Support Organization is an independent business support center contracted with dental clinics in the United States. They provide business management and support to dental practices, including non-clinical operations.

With the passage of the Affordable Care Act and the recent expansion of Medicaid, the DSO model has become increasingly popular in dental offices. In some parts of the United States, dental offices have begun transitioning from traditional clinics to a DSO model in order to provide more affordable care to a larger patient population.
