Abstracts

These rigs have built-in impact force sensors. A separate sensor is also provided, so that a device with a sensor strapped to it can get the same effect as a device with a built-in sensor, but with more flexibility in placement. Boxing gloves connect to the accompanying app via Bluetooth (free). You can see the punch speed and strength of each hand on the app. There's also a power meter on the app to let you know when you're in knockout range.
