Abstracts

The global Staff Canteen Catering Services market size is expected to reach \$ 153998 million by 2032, rising at a market growth of 4.5% CAGR during the forecast period (2026-2032).

Staff Canteencatering services refers to a group catering service model in which enterprises, institutions, factories, or campuses outsource their employee dining services to professional catering providers. These providers assume responsibility for menu design, ingredient procurement, on-site cooking, personnel management, food safety, cost control, and daily operations.

The upstream segment of the industry encompasses staples (rice, flour, grains, and cooking oils), meat, poultry, eggs, dairy products, fresh produce, condiments, pre-prepared meals, cold-chain logistics, kitchen equipment, tableware and consumables, as well as food safety testing services. The downstream segment serves corporate factories, office parks, hospitals, schools, government agencies, industrial parks, and large-scale public institutions.
