According to our (Global Info Research) latest study, the global Takaful market size was valued at USD million in 2023 and is forecast to a readjusted size of USD million by 2030 with a CAGR of % during review period.

Takaful is a Sharia-compliant Islamic insurance product, where members of the community contribute money or a part of their earnings to a pooling system that guarantees against any loss or damage. The underlying principle of takaful portrays the responsibility of each to cooperate and protect each other.

The drivers of Takaful demand include high economic growth and increase in per capita GDP, a youthful demography, increasing awareness, a greater desire for shari'a compliant offerings and increasing asset based, shari'a compliant financing.

The Global Info Research report includes an overview of the development of the Takaful industry chain, the market status of Family (Life/Family Takaful, General Takaful), Government (Life/Family Takaful, General Takaful), and key enterprises in developed and developing market, and analysed the cutting-edge technology, patent, hot applications and market trends of Takaful.

Regionally, the report analyzes the Takaful markets in key regions. North America and Europe are experiencing steady growth, driven by government initiatives and increasing consumer awareness. Asia-Pacific, particularly China, leads the global Takaful market, with robust domestic demand, supportive policies, and a strong manufacturing base.
