Abstracts

The global Third-Party Risk Management Platform market size is expected to reach \$ million by 2029, rising at a market growth of % CAGR during the forecast period (2023-2029).

The market for third-party risk management platforms has been experiencing significant growth in recent years. This growth can be attributed to several factors, including the increasing reliance on third-party vendors, the need for regulatory compliance, and the rising awareness of the potential risks associated with extended supply chains. In terms of regions, North America is expected to remain the largest market for third-party risk management platform during the forecast period.

Third-party risk management platform, also known as a vendor risk management platform or supplier risk management platform, is a software solution that helps organizations assess, monitor, and mitigate risks associated with their relationships with third-party vendors, suppliers, contractors, and partners. These platforms provide a centralized system to manage and track information about third-party entities, their performance, and potential risks they may pose to the organization.

This report studies the global Third-Party Risk Management Platform demand, key companies, and key regions.

This report is a detailed and comprehensive analysis of the world market for Third-Party Risk Management Platform, and provides market size (US\$ million) and Year-over-Year (YoY) growth, considering 2022 as the base year. This report explores demand trends and competition, as well as details the characteristics of Third-Party Risk Management Platform that contribute to its increasing demand across many markets.

Highlights and key features of the study

Global Third-Party Risk Management Platform total market, 2018-2029, (USD Million)

Global Third-Party Risk Management Platform total market by region & country, CAGR, 2018-2029, (USD Million)

U.S. VS China: Third-Party Risk Management Platform total market, key domestic companies and share, (USD Million)

Global Third-Party Risk Management Platform revenue by player and market share 2018-2023, (USD Million)

Global Third-Party Risk Management Platform total market by Type, CAGR, 2018-2029, (USD Million)

Global Third-Party Risk Management Platform total market by Application, CAGR, 2018-2029, (USD Million)

This reports profiles major players in the global Third-Party Risk Management Platform market based on the following parameters – company overview, revenue, gross margin, product portfolio, geographical presence, and key developments. Key companies covered as a part of this study include Bitsight, Genpact, MetricStream, NAVEX Global, Resolver, IBM, SAI Global, Galvanize and Venminder, etc.

This report also provides key insights about market drivers, restraints, opportunities, new product launches or approvals, COVID-19 and Russia-Ukraine War Influence.

Stakeholders would have ease in decision-making through various strategy matrices used in analyzing the World Third-Party Risk Management Platform market

Detailed Segmentation:

Each section contains quantitative market data including market by value (US\$ Millions), by player, by regions, by Type, and by Application. Data is given for the years 2018-2029 by year with 2022 as the base year, 2023 as the estimate year, and 2024-2029 as the forecast year.
