Abstracts

According to our (Global Info Research) latest study, the global Visa Outsourcing Services market size was valued at USD 2099.9 million in 2023 and is forecast to a readjusted size of USD 3807.1 million by 2030 with a CAGR of 8.9% during review period.

Visa Service is a service where a service agency applies to a country's government for permission to enter, exit or transit the country at the request of an applicant, eliminating much of the paperwork required by an applicant to visit a country. Visa Service includes short-term business, work, study and tourism in some countries and other types of visas for applicants. In recent years, many governments have outsourced their visa processing to external partners. This has helped them to manage the increasing demand for visas in the age of booming international travel. Visa outsourcing can also benefit travellers, reducing processing times and improving customer service.

Global key players of visa outsourcing services include VFS Global, CGI, GDIT, etc. The top three players hold a share over 78%. North America is the largest region, with approximately 35% global market share, followed by APAC and Europe. Middle East and Africa is another key region in this market. Asia-Pacific is estimated to expand further at the fastest CAGR during the forecast period. The Family segment market occupied about 52% global market share, and is projected to hold a larger market size during the forecast period. In terms of product type, Tourist Visa is the largest segment, occupied for a share of about 80%, and in terms of application, Family has a share about 50 percent.
