Abstracts

Visa Service is a service where a service agency applies to a country's government for permission to enter, exit or transit the country at the request of an applicant, eliminating much of the paperwork required by an applicant to visit a country. Visa Service includes short-term business, work, study and tourism in some countries and other types of visas for applicants. In recent years, many governments have outsourced their visa processing to external partners. This has helped them to manage the increasing demand for visas in the age of booming international travel. Visa outsourcing can also benefit travellers, reducing processing times and improving customer service.

This report studies the global Visa Outsourcing Services demand, key companies, and key regions.

This report is a detailed and comprehensive analysis of the world market for Visa Outsourcing Services, and provides market size (US\$ million) and Year-over-Year (YoY) growth, considering 2021 as the base year. This report explores demand trends and competition, as well as details the characteristics of Visa Outsourcing Services that contribute to its increasing demand across many markets.

The global Visa Outsourcing Services market size is expected to reach \$ 3699.1 million by 2028, rising at a market growth of 12.6% CAGR during the forecast period (2022-2028).
