Abstracts

According to our (Global Info Research) latest study, the global Wedding Jewelry Rental Services market size was valued at USD million in 2022 and is forecast to a readjusted size of USD million by 2029 with a CAGR of % during review period.

In recent years, there has been a growing trend in the wedding industry for couples to opt for jewelry rental services instead of purchasing expensive pieces for their special day. This trend has been driven by several factors, including cost savings, sustainability, and the desire for variety. One of the main reasons why couples are choosing to rent wedding jewelry is the significant cost savings it offers. Wedding jewelry, such as engagement rings, wedding bands, and bridal accessories, can be quite expensive. By renting these items instead of buying them, couples can save a substantial amount of money that can be allocated to other aspects of their wedding or used for other purposes.
