Abstracts

According to our (Global Info Research) latest study, the global Wine Accessories market size was valued at US$ 2547 million in 2025 and is forecast to a readjusted size of US$ 3317 million by 2032 with a CAGR of 3.9% during review period.

From stylish wine bags to elegant corkscrews, wine accessories can make sharing a glass even more special. You'll find a vast and varied selection of openers, preservers, aerators, and more to elevate how you enjoy your wine.

The global wine corks market is emerging at a considerable pace, owing to launches of several synthetic and screw caps for wine bottles. There is an increase in demand for wine from emerging markets, which has created export potential for the wine cork producers as well, whose production is growing at a significant rate such as Chile, Argentina, South Africa, and Australia. To keep up with the domestic demand and to capitalize on the export potential, the wine makers in these countries are expanding their production capacities.

This report is a detailed and comprehensive analysis for global Wine Accessories market. Both quantitative and qualitative analyses are presented by company, by region & country, by Type and by Application. As the market is constantly changing, this report explores the competition, supply and demand trends, as well as key factors that contribute to its changing demands across many markets. Company profiles and product examples of selected competitors, along with market share estimates of some of the selected leaders for the year 2025, are provided.
