## Abstracts

The industry report Air Conditioner Market in South Africa to 2022 offers the most up-to-date market data on the actual market situation, and future outlook for air conditioners in South Africa. The research includes historic market data from 2011 to 2017 and forecasts until 2022 which makes the report an invaluable resource for industry executives, marketing, sales and product managers, analysts, and other people looking for key industry data in readily accessible and clearly presented tables and graphs.

The latest market data for this research include:

Overall air conditioner market size, 2011-2022

Air conditioner market size by product segment, 2011-2022

Growth rates of the overall air conditioner market and different product segments, 2011-2022

Shares of different product segments of the overall air conditioner market, 2011, 2017 and 2022

The product segments discussed in this data report include:

Vehicle air conditioners

Self-contained wall and window type air conditioners

Other air conditioners with reverse cycle refrigeration

Other air conditioners with refrigerating unit

Other air conditioners without refrigerating unit  
Air conditioner parts

The report helps answering the following questions:

What is the current size of the air conditioner market in South Africa?

How is the air conditioner market divided into different product segments?

How are the overall market and different product segments growing?

How is the market predicted to develop in the future?

Among the key reasons to purchase include the following:

Gain an outlook of the historic development, current market situation, and future outlook of the air conditioner market in South Africa to 2022

Track industry development and identify market opportunities

Plan and develop marketing, market-entry, market expansion, and other business strategies by identifying the key market opportunities and prospects

Save time and money with the readily accessible key market data included in this PDF format industry report. The market data is clearly presented and can be easily incorporated into presentations, internal reports, etc.

## Contents

### **1. MARKET FOR AIR CONDITIONERS IN SOUTH AFRICA**

Overall Market

Market by Type

Vehicle air conditioners

Self-contained wall and window type air conditioners

Other air conditioners with refrigerating unit with reverse cycle refrigeration

Other air conditioners with refrigerating unit

Other air conditioners without refrigerating unit

Air conditioner parts

### **2. FORECASTS AND FUTURE OUTLOOK**

Overall Market

Market by Type

Vehicle air conditioners

Self-contained wall and window type air conditioners

Other air conditioners with refrigerating unit with reverse cycle refrigeration

Other air conditioners with refrigerating unit

Other air conditioners without refrigerating unit

Air conditioner parts

### **3. MARKET DEFINITION**

### **4. METHODOLOGY AND SOURCES**

### **5. ABOUT GLOBAL RESEARCH & DATA SERVICES**
