## Abstracts

The industry report Global Agricultural and Forestry Machine Market to 2019 - Market Size, Development, and Forecasts offers the most up-to-date market data on the actual market situation, and future outlook for agricultural and forestry machines in the world. The research includes historic market data from 2008 to 2014 and forecasts until 2019 which makes the report an invaluable resource for industry executives, marketing, sales and product managers, analysts, and other people looking for key industry data in readily accessible and clearly presented tables and graphs.

### The latest market data for this research include:

Overall agricultural and forestry machine market size, 2008-2019

Agricultural and forestry machine market size by product segment, 2008-2019

Growth rates of the overall agricultural and forestry machine market and different product segments, 2008-2019

Shares of different product segments of the overall agricultural and forestry machine market, 2008, 2014 and 2019

Market Potential Rates of the overall agricultural and forestry machine market and different product segments

### The product segments discussed in this data report include:

Pedestrian controlled tractors

Other agricultural and forestry tractors

Agricultural trailers

Cultivators, weeders, hoes and scarifiers

Disc harrows

Fertilizer distributors and manure spreaders

Planters, transplanters and seeders

Ploughs

Rollers and other soil preparation and cultivation machines

Parts for soil preparation and cultivation machines

Powered lawn mowers with horizontal cutting device

Other powered lawn mowers

Combine harvester-threshers

Fodder and straw balers

Hay mowers and cutter bars

Hay tedders, rakes and other haymaking machines

Root and tuber harvesting machines

Other threshing and harvesting machines

Poultry brooders and incubators

Other poultry-keeping machines

Parts for poultry-keeping machines

Agricultural sprays and powder dispersers

Milking machines

Machines for preparing animal feeding stuffs

Machines for sorting, cleaning and grading fruits, eggs, grain, seeds, dried leguminous vegetables and other agricultural products

Other agricultural and forestry machines

Other parts for agricultural and forestry machines

**The report helps answering the following questions:**

What is the current size of the agricultural and forestry machine market in the world?

How is the agricultural and forestry machine market divided into different product segments?

How are the overall market and different product segments growing?

How is the market predicted to develop in the future?

What is the market potential compared to other countries?

**Among the key reasons to purchase include the following:**

Gain an outlook of the historic development, current market situation, and future outlook of the agricultural and forestry machine market in the world to 2019

Track industry development and identify market opportunities

Plan and develop marketing, market-entry, market expansion, and other business strategies by identifying the key market opportunities and prospects

Save time and money with the readily accessible key market data included in this PDF format industry report. The market data is clearly presented and can be easily incorporated into presentations, internal reports, etc.
