Abstracts

This industry report package offers the most up-to-date market data on the actual market situation, trends, and future outlook for copper wire in the world and in the top 10 global countries. Along with a global copper wire market report the package includes country reports from the following countries: Belgium, China, France, Germany, Italy, Russia, South Korea, Spain, Turkey, United States. The reports include historic market data from 2007 to 2013 and forecasts until 2018 which makes the reports an invaluable resource for industry executives, marketing, sales and product managers, analysts, and other people looking for key industry data in readily accessible and clearly presented tables and graphs. The latest market data for this research include:

Overall copper wire market size, 2007-2018

Copper wire market size by product segment, 2007-2018

Growth rates of the overall copper wire market and different product segments, 2007-2018

Shares of different product segments of the overall copper wire market, 2007, 2013 and 2018

Market Potential Rates of the overall copper wire market and different product segments

The product segments analyzed in the data reports include: Refined copper wire (over 6 mm) Other refined copper wire Cupro-nickel (copper-nickel base alloys) and nickel silver

(copper-nickel-zinc base alloys) wire Brass (copper-zinc base alloys) wire Other copper wire
The reports answer the following questions:

What is the current size of the copper wire market in the world and in the top 10 global countries?

How is the copper wire market divided into different product segments?

How are the overall market and different product segments growing?

How is the market predicted to develop in the future?

What is the market potential compared to other countries?

Among the key reasons to purchase include the following:

Gain an outlook of the historic development, current market situation, trends, and future outlook of the copper wire market in the world and in the top 10 global countries to 2018

Track industry trends and identify market opportunities

Plan and develop marketing, market-entry, market expansion, and other business strategies by identifying the key market trends and prospects

Save time and money with the readily accessible key market data included in the report. The market data is clearly presented and can be easily incorporated into presentations, internal reports, etc.

The industry data reports are produced utilizing the standard methodology of Global Research & Data Services by applying, analyzing, and combining a wide range of sources and in-house analysis.

Contents

This market research report package includes a global copper wire market report as well as country reports from the following countries: Belgium, China, France, Germany, Italy, Russia, South Korea, Spain, Turkey, United States. Below you can find the table of contents for one of the reports. All the reports have a similar structure and content so that different countries can be easily compared with each other.

About

Global demand for copper wire is forecast to expand 7.6% p.a. between 2014 and 2018. Armenia, China, Macedonia, Poland and Russia are considered the highest potential markets in the coming years.

According to recently published research conducted by a leading international market research company, Global Research & Data Services, the expansion of the global copper wire industry is forecast to reach 7.6% p.a. in the coming years. Between 2007 and 2013 the market decreased with an average annual decline of -0.7%. Currently, refined copper wire (over 6 mm) accounts for 72.6% of the global demand while the remaining market share is divided between other refined copper wire (18.7%), brass wire (4.4%), cupro-nickel and nickel silver wire (0.9%) and other copper wire (3.4%).

China, France, Germany, Russia and the United States represent the largest copper wire markets while the strongest annual growth is forecast to occur in Armenia (29.0%), Poland (28.6%), Macedonia (28.0%), Turkey (23.2%) and Lithuania (21.4%).

Based on in-house analysis and an advanced model which takes into consideration the actual market size, trends, forecast market growth, and changes in the market environment, Global Research and Data Services calculates the Market Potential Rates, the predicted market potential of the country in the coming years. The larger the Market Potential Rate, the more potential the market has in the coming years; and conversely, the smaller the rate, the less potential the market is considered to have in the future.

The market information is based on new industry data reports recently published by Global Research & Data Services. The reports offer the most up-to-date market data on the actual market situation, trends, and future outlook for copper wire in the world and individually for the following countries:

Argentina, Armenia, Australia, Austria, Belgium, Brazil, Bulgaria, Canada, Chile, China, Czech Republic, Denmark, Ecuador, Estonia, Finland, France, Georgia, Germany, Greece, Hungary, India, Ireland, Israel, Italy, Japan, Jordan, Kazakhstan, Kyrgyzstan, Lithuania, Macedonia, Malaysia, Mexico, Morocco, Netherlands, Norway, Oman, Pakistan, Panama, Philippines, Poland, Portugal, Romania, Russia, Slovakia, Slovenia, South Korea, Spain, Sri Lanka, Sweden, Thailand, Turkey, Ukraine, United Kingdom, United States, Vietnam
