## Abstracts

The industry report package Global Motor Vehicle Part market to 2017 - Market Size, Top 10 Countries, Trends, and Forecasts offers the most up-to-date perspective on the actual market situation, trends, and future outlook for motor vehicle parts in the world. Along with a global motor vehicle part market report the package includes country reports from the following countries:

Brazil, China, Germany, India, Japan, Mexico, South Korea, Thailand, United Kingdom, United States

The studies include historic market data from 2006 to 2012 and forecasts until 2017 which makes the reports an invaluable resource for industry executives, marketing, sales and product managers, analysts, and other people looking for key market insights in a readily accessible and clearly presented format.

The market studies answer key questions such as:

What is the size of the global motor vehicle part market

What is the size of the motor vehicle part market in the top 10 global countries?

How are the markets divided into different product segments?

Which products are growing fast?

How have the markets been developing?

How does the future look like?

What is the market potential?

The latest market information included in the studies:

The global market size for motor vehicle parts

Overall market size for motor vehicle parts in the top 10 global countries

Market size for motor vehicle parts by type

Forecasts and future outlook of the markets

Product segments analyzed in the studies:

Axles

Brakes and servo-brakes

Bumpers

Clutches

Exhaust pipes and silencers

Gear boxes

Parts for diesel and semi-diesel engines

Parts for spark-ignition engines

Radiators

Safety seat belts

Shock-absorbers

Steering wheels, steering boxes and steering columns

Wheels

Other motor vehicle parts

### **Reasons to buy:**

Gain a complete picture of the historic development, current market situation, trends, and future prospects of the motor vehicle part market in the world as well as in the top 10 global countries to 2017

Track industry trends and identify market opportunities

Compare market size, trends, and prospects in different countries easily

Plan and develop marketing, market-entry, market expansion and other business strategies by identifying the key market trends and prospects

Save time and money with the readily accessible key market information included in the reports. The market information is clearly presented and can be easily used in presentations, etc.

The industry reports are built by the standard methodology of Global Research & Data Services by using, analyzing, and combining a wide range of sources and in-house analysis.

## Contents

This market research report package includes a global motor vehicle part market report as well as country reports from the following countries:

Brazil, China, Germany, India, Japan, Mexico, South Korea, Thailand, United Kingdom, United States

Below you can find the table of contents for one of the reports. All the reports have a similar structure and content so that different countries can be easily compared with each other.

Market for Motor Vehicle Parts in the Country in Question

Overall Market

Market by Type

Axles

Brakes and servo-brakes

Bumpers

Clutches

Exhaust pipes and silencers

Gear boxes

Parts for diesel and semi-diesel engines

Parts for spark-ignition engines

Radiators

Safety seat belts

Shock-absorbers

Steering wheels, steering boxes and steering columns

Wheels

Other motor vehicle parts

## FORECASTS AND FUTURE OUTLOOK
