Abstracts

The report package Global Primary Battery and Cell Market to 2020 - Market Size, Development, Top 10 Countries, and Forecasts offers the most up-to-date industry data on the actual market situation, and future outlook for primary batteries and cells in the world and in the top 10 global countries. Along with a global primary battery and cell market report the package includes country reports from the following countries:

Canada, China, France, Germany, India, Indonesia, Japan, Russia, United Kingdom, United States

The research includes historic data from 2009 to 2015 and forecasts until 2020 which makes the reports an invaluable resource for industry executives, marketing, sales and product managers, consultants, analysts, and other people looking for key industry data in readily accessible documents with clearly presented tables and graphs.

The reports help answer the following questions:

What is the current size of the primary battery and cell market in the world and in the top 10 global countries?

How is the primary battery and cell market divided into different product segments?

How are the overall market and different product segments growing?

How is the market predicted to develop in the future?

What is the market potential compared to other countries?

The latest industry data included in the reports:

Overall primary battery and cell market size, 2009-2020

Primary battery and cell market size by product segment, 2009-2020

Growth rates of the overall primary battery and cell market and different product segments, 2009-2020

Shares of different product segments of the overall primary battery and cell market, 2008, 2014 and 2019

Market Potential Rates of the overall primary battery and cell market and different product segments

The market data is given for the following product segments:

Air-zinc primary batteries and cells

Lithium primary batteries and cells

Manganese dioxid primary batteries and cells

Mercuric oxide primary batteries and cells

Silver oxide primary batteries and cells

Other primary batteries and cells

Parts of primary batteries and cells

Among the key reasons to purchase include the following:

Gain an outlook of the historic development, current market situation, and future outlook of the primary battery and cell market in the world and in the top 10 global countries to 2020

Track industry developments and identify market opportunities

Plan and develop marketing, market-entry, market expansion, and other business strategies by identifying the key market opportunities and prospects

Save time and money with the readily accessible key market data included in the reports. The data is clearly presented and can be easily incorporated into presentations and internal reports.

Contents

This industry report package includes a global primary battery and cell market report as well as country reports from the following countries:

Canada, China, France, Germany, India, Indonesia, Japan, Russia, United Kingdom, United States

Below you can find the table of contents for one of the reports. All the reports have a similar structure and content so that different countries can be easily compared with each other.

1. MARKET FOR PRIMARY BATTERIES AND CELLS IN VIETNAM

Overall Market

Market by Type

- Air-zinc primary batteries and cells
- Lithium primary batteries and cells
- Manganese dioxid primary batteries and cells
- Mercuric oxide primary batteries and cells
- Silver oxide primary batteries and cells
- Other primary batteries and cells
- Parts of primary batteries and cells

2. FORECASTS AND FUTURE OUTLOOK

Overall Market

Market by Type

- Air-zinc primary batteries and cells
- Lithium primary batteries and cells
- Manganese dioxid primary batteries and cells
- Mercuric oxide primary batteries and cells
- Silver oxide primary batteries and cells
- Other primary batteries and cells
- Parts of primary batteries and cells

3. MARKET POTENTIAL RATES

4. PRIMARY BATTERY AND CELL MARKET SIZE COMPARED TO MARKET

GROWTH IN DIFFERENT COUNTRIES

5. MARKET DEFINITION

6. METHODOLOGY AND SOURCES

7. ABOUT GLOBAL RESEARCH & DATA SERVICES
