Abstracts

The report package Grain Mill Product Markets in the Top 5 African Countries to 2021 offers the most up-to-date industry data on the actual market situation, and future outlook for grain mill products in the top 5 African countries. The package includes country reports from the following countries:

Cameroon, Egypt, Ethiopia, Ghana, Morocco

The research includes historical data from 2010 to 2016 and forecasts until 2021 which makes the reports an invaluable resource for industry executives, marketing, sales and product managers, consultants, analysts, and other people looking for key industry data in readily accessible documents with clearly presented tables and graphs.

The reports help answer the following questions:

What is the current size (volume and value) of the grain mill product market in the top 5 African countries?

How much grain mill products are produced in the top 5 African countries?

What is the price for grain mill products in the top 5 African countries?

How is the market split into different types of grain mill products?

How are the overall market and different product types growing?

How is the market predicted to develop in the future?

Who are the market players?

The latest industry data included in the reports:

Demand (volume and value) for grain mill products, 2010-2021

Production of grain mill products, 2010-2021

Price for grain mill products, 2010-2021

Grain mill product market size by product type, 2010-2021

Growth rates of the overall market and different product segments, 2010-2021

Shares of different product segments of the overall market, 2010, 2016, and 2021

The market data is given for the following product segments:

Broken rice

Husked brown rice

Semi-milled/wholly milled rice

Maize (corn) flour

Wheat and meslin flour

Other cereal flours

Maize (corn) meal and groats

Wheat meal

Other cereal meal and groats

Other worked cereal grains

Meal and flour of legumes, citrus, nuts, roots and tubers

Other grain mill products

Among the key reasons to purchase include the following:

Gain an outlook of the historical development, current market situation, and future outlook of the grain mill product market in the top 5 African countries to 2021

Track industry developments and identify market opportunities

Plan and develop marketing, market-entry, market expansion, and other business strategies by identifying the key market opportunities and prospects

Save time and money with the readily accessible key market data included in the reports. The data is clearly presented and can be easily incorporated into presentations and internal reports.
