Growth rates of the overall lighting product market and different product segments, 2008-2019

Shares of different product segments of the overall lighting product market, 2008, 2014 and 2019

Market Potential Rates of the overall lighting product market and different product segments

The product segments discussed in this data report include:

Portable battery and magneto-electric lamps

Sealed beam lamp units
Filament lamps (tungsten halogen)
Filament lamps (power not exceeding 200 W, voltage more than 100 V)
Other filament lamps
Fluorescent lamps (hot cathode)
Mercury and sodium vapour lamps
Other discharge lamps
Arc-lamps
Infra-red and ultra-violet lamps
Electric ceiling and wall lighting fittings
Electric desk, table, floor and bedside lamps
Non-electrical lighting fittings and lamps
Illuminated signs
Other lighting products
Parts of lighting products

The report helps answering the following questions:

What is the current size of the lighting product market in Argentina?

How is the lighting product market divided into different product segments?

How are the overall market and different product segments growing?

How is the market predicted to develop in the future?

What is the market potential compared to other countries?

Among the key reasons to purchase include the following:

Gain an outlook of the historic development, current market situation, trends, and future outlook of the lighting product market in Argentina to 2019
