How is the medical device market divided into different types of product segments?

How are the overall market and different product segments growing?

How is the market predicted to develop in the future?

What is the market potential compared to other countries?

The latest industry data included in this report:

Overall medical device market size, 2009-2020

Medical device market size by product segment, 2009-2020

Growth rates of the overall market and different product segments, 2009-2020

Shares of different product segments of the overall market, 2009, 2015, and 2020

Market Potential Rates of the overall medical device market and different product segments

The market data is given for the following product segments:

- Surgical, medical and laboratory sterilizers
- Electro-diagnostic equipment
- Ultra-violet and infra-red ray equipment
- Syringes
- Tubular metal needles and needles for sutures
- Catheters, cannulae and needles
- Dental instruments and appliances
- Ophthalmic instruments and appliances
- Other medical instruments and appliances
- Massage and psychological aptitude-test equipment
- Therapeutic respiration equipment
- Breathing appliances and gas masks
- Artificial joints
- Other orthopaedic and fracture appliances
- Dental fittings
- Other artificial parts of the body
- Hearing aids
- Pacemakers for stimulating heart muscles
- Computed tomography equipment
- Alpha, beta and gamma radiation equipment
- Parts and accessories for radiation equipment
- Medical and dental X-ray equipment
- Medical furniture

Among the key reasons to purchase include the following:

Gain an outlook of the historic development, current market situation, and future outlook of the medical device market in Latvia to 2020

Track industry developments and identify market opportunities

Plan and develop marketing, market-entry, market expansion, and other business strategies by identifying the key market opportunities and prospects

Save time and money with the readily accessible key market data included in this PDF format industry report. The data is clearly presented and can be easily incorporated into presentations and internal reports.
