Abstracts

This industry report offers the most up-to-date market data on the actual market situation, trends and future outlook for metal fasteners in Estonia. The research includes historic market data from 2007 to 2013 and forecasts until 2018 which makes the report an invaluable resource for industry executives, marketing, sales and product managers, analysts, and other people looking for key industry data in readily accessible and clearly presented tables and graphs.

The latest market data for this research include:

Overall metal fastener market size, 2007-2018

Metal fastener market size by product segment, 2007-2018

Growth rates of the overall metal fastener market and different product segments, 2007-2018

Shares of different product segments of the overall metal fastener market, 2007, 2013 and 2018

Market Potential Rates of the overall metal fastener market and different product segments

The product segments discussed in this data report include:

Steel and iron coach screws

Other steel and iron wood screws

Steel and iron screw rings and screw hooks

Steel and iron self-tapping screws

Steel and iron spring and lock washers

Other steel and iron washers

Steel and iron cotters and cotter-pins

Steel and iron nails, corrugated nails, tacks, staples and drawing pins

Steel and iron nuts

Steel and iron rivets

Other steel and iron fasteners

Copper screws, nuts and bolts

Copper nails, tacks, staples and drawing pins

Copper washers

Copper cotters, cotter pins and other unthreaded fasteners

Other copper fasteners

Aluminium fasteners

The report helps answering the following questions:

What is the current size of the metal fastener market in Estonia?

How is the metal fastener market divided into different product segments?

How are the overall market and different product segments growing?

How is the market predicted to develop in the future?

What is the market potential compared to other countries?

Among the key reasons to purchase include the following:

Gain an outlook of the historic development, current market situation, trends, and future outlook of the metal fastener market in Estonia to 2018

Track industry trends and identify market opportunities

Plan and develop marketing, market-entry, market expansion, and other business strategies by identifying the key market trends and prospects

Save time and money with the readily accessible key market data included in the report. The market data is clearly presented and can be easily incorporated into presentations, internal reports, etc.
