Abstracts

The report Non-Power Driven Hand Tool Market in Latvia to 2022 offers the most up-to-date industry data on the actual market situation, and future outlook for non-power driven hand tools in Latvia. The research includes historical data from 2011 to 2017 and forecasts until 2022 which makes the report an invaluable resource for industry executives, marketing, sales and product managers, consultants, analysts, and other people looking for key industry data in a readily accessible document with clearly presented tables and graphs.

The report helps answer the following questions:

What is the size of the non-power driven hand tool market in Latvia?

How is the market split into different types of non-power driven hand tools?

How are the overall market and different product types growing?

How is the market predicted to develop in the future?

The latest industry data included in this report:

Demand for non-power driven hand tools, 2011-2022

Non-power driven hand tool market size by product type, 2011-2022

Growth rates of the overall market and different product segments, 2011-2022

Shares of different product segments of the overall market, 2011, 2017, and

2022

The market data is given for the following product segments:

Shovels and spades
Forks
Rakes, picks, mattocks and hoes
Bill hooks, axes and hewing tools
One handed shears and secateurs
Two-handed shears
Hand saws
Saw blades
Rasps and files
Pincers, pliers and tweezers
Wire and metal cutting shears
Bolt croppers, pipe-cutters and perforating punches
Hand-operated wrenches and spanners
Tapping, drilling and threading tools
Hammers and sledge hammers
Gouges, chisels and planes
Screwdrivers
Blow lamps
Clamps and vices
Sets of non-power driven hand tools
Other non-power-driven hand tools

Among the key reasons to purchase include the following:

Gain an outlook of the historical development, current market situation, and future outlook of the non-power driven hand tool market in Latvia to 2022

Track industry developments and identify market opportunities

Plan and develop marketing, market-entry, market expansion, and other business strategies by identifying the key market opportunities and prospects

Save time and money with the readily accessible key market data included in this PDF format industry report. The data is clearly presented and can be easily

incorporated into presentations and internal reports.
