Abstracts

This industry report offers the most up-to-date market data on the actual market situation, trends and future outlook for paints and varnishes in France. The research includes historic market data from 2007 to 2013 and forecasts until 2018 which makes the report an invaluable resource for industry executives, marketing, sales and product managers, analysts, and other people looking for key industry data in readily accessible and clearly presented tables and graphs.

The latest market data for this research include:

Overall paint and varnish market size, 2007-2018

Paint and varnish market size by product segment, 2007-2018

Growth rates of the overall paint and varnish market and different product segments, 2007-2018

Shares of different product segments of the overall paint and varnish market, 2007, 2013 and 2018

Market Potential Rates of the overall paint and varnish market and different product segments

The product segments analyzed in this data report include:

Polyester based paints and varnishes (non-aqueous)

Vinyl and acrylic polymer based paints and varnishes (non-aqueous)

Other polymer based paints and varnishes (non-aqueous)

Vinyl and acrylic polymer based paints and varnishes (aqueous)

Other polymer based paints and varnishes (aqueous)

Other paints and varnishes

The report answers the following questions:

What is the current size of the paint and varnish market in France?

How is the paint and varnish market divided into different product segments?

How are the overall market and different product segments growing?

How is the market predicted to develop in the future?

What is the market potential compared to other countries?

Among the key reasons to purchase include the following:

Gain an outlook of the historic development, current market situation, trends, and future outlook of the paint and varnish market in France to 2018

Track industry trends and identify market opportunities

Plan and develop marketing, market-entry, market expansion, and other business strategies by identifying the key market trends and prospects

Save time and money with the readily accessible key market data included in the report. The market data is clearly presented and can be easily incorporated into presentations, internal reports, etc.

The industry data report is produced utilizing the standard methodology of Global Research & Data Services by applying, analyzing, and combining a wide range of sources and in-house analysis.
