Abstracts

The report Refined Petroleum Product Market in Russia to 2022 offers the most up-to-date industry data on the actual market situation, and future outlook for refined petroleum products in Russia. The research includes historical data from 2011 to 2017 and forecasts until 2022 which makes the report an invaluable resource for industry executives, marketing, sales and product managers, consultants, analysts, and other people looking for key industry data in a readily accessible document with clearly presented tables and graphs.

The report helps answer the following questions:

What is the size of the refined petroleum product market in Russia?

How much refined petroleum products are produced in Russia?

How is the market split into different types of refined petroleum products?

How are the overall market and different product types growing?

How is the market predicted to develop in the future?

The latest industry data included in this report:

Demand for refined petroleum products, 2011-2022

Production of refined petroleum products, 2011-2022

Refined petroleum product market size by product type, 2011-2022

Growth rates of the overall market and different product segments, 2011-2022

Shares of different product segments of the overall market, 2011, 2017, and 2022

The market data is given for the following product segments:

Petroleum oils and bituminous mineral oils
Liquefied butanes
Liquefied propane
Liquefied butylene, butadiene, ethylene and propylene
Other liquefied petroleum gases and gaseous hydrocarbons
Other petroleum gases and gaseous hydrocarbons
Paraffin wax
Petroleum jelly
Other mineral waxes
Calcined petroleum coke
Not calcined petroleum coke
Petroleum bitumen
Other residues of petroleum oils

Among the key reasons to purchase include the following:

Gain an outlook of the historical development, current market situation, and future outlook of the refined petroleum product market in Russia to 2022

Track industry developments and identify market opportunities

Plan and develop marketing, market-entry, market expansion, and other business strategies by identifying the key market opportunities and prospects

Save time and money with the readily accessible key market data included in this PDF format industry report. The data is clearly presented and can be easily incorporated into presentations and internal reports.
