## Abstracts

The report Starch and Starch Product Market in Belgium to 2021 offers the most up-to-date industry data on the actual market situation, and future outlook for starches and starch products in Belgium. The research includes historical data from 2010 to 2016 and forecasts until 2021 which makes the report an invaluable resource for industry executives, marketing, sales and product managers, consultants, analysts, and other people looking for key industry data in a readily accessible document with clearly presented tables and graphs.

The report helps answer the following questions:

What is the size (volume and value) of the starch and starch product market in Belgium?

How much starches and starch products are produced in Belgium?

What is the price of starches and starch products in Belgium?

How is the market split into different types of starches and starch products?

How are the overall market and different product types growing?

How is the market predicted to develop in the future?

Who are the market players?

The latest industry data included in this report:

Demand (volume and value) for starches and starch products, 2010-2021

Production of starches and starch products, 2010-2021

Price of starches and starch products, 2010-2021

Starch and starch product market size by product type, 2010-2021

Growth rates of the overall market and different product segments, 2010-2021

Shares of different product segments of the overall market, 2010, 2016, and 2021

The market data is given for the following product segments:

Maize (corn) starch

Manioc (cassava) starch

Potato starch

Wheat starch

Inulin

Wheat gluten

Maize (corn) oil (crude)

Other maize (corn) oil

Glucose and glucose syrup

Chemically pure fructose

Other fructose and fructose syrup

Tapioca and substitutes

Dextrins and other modified starches

Other starches and starch products

Among the key reasons to purchase include the following:

Gain an outlook of the historical development, current market situation, and future outlook of the starch and starch product market in Belgium to 2021

Track industry developments and identify market opportunities

Plan and develop marketing, market-entry, market expansion, and other business strategies by identifying the key market opportunities and prospects

Save time and money with the readily accessible key market data included in this PDF format industry report. The data is clearly presented and can be easily incorporated into presentations and internal reports.

## Contents

### **1. OVERALL STARCHES AND STARCH PRODUCTS MARKET IN BELGIUM**

Demand Value

Demand Volume

Price

Production

Market by Type

Maize (corn) starch
