## Abstracts

This industry report package offers the most up-to-date market data on the actual market situation, trends, and future outlook for unwrought aluminium in the top 5 American countries. The package includes unwrought aluminium country reports from the following countries:

Argentina, Brazil, Canada, Mexico, United States

The reports include historic market data from 2007 to 2013 and forecasts until 2018 which makes the reports an invaluable resource for industry executives, marketing, sales and product managers, analysts, and other people looking for key industry data in readily accessible and clearly presented tables and graphs.

### **The latest market data for this research include:**

Overall unwrought aluminium market size, 2007-2018

Unwrought aluminium market size by product segment, 2007-2018

Growth rates of the overall unwrought aluminium market and different product segments, 2007-2018

Shares of different product segments of the overall unwrought aluminium market, 2007, 2013 and 2018

Market Potential Rates of the overall unwrought aluminium market and different

product segments

**The product segments analyzed in the data reports include:**

Alloyed unwrought aluminium

Not alloyed unwrought aluminium

**The reports answer the following questions:**

What is the current size of the unwrought aluminium market in the top 5 American countries?

How is the unwrought aluminium market divided into different product segments?

How are the overall market and different product segments growing?

How is the market predicted to develop in the future?

What is the market potential compared to other countries?

**Among the key reasons to purchase include the following:**

Gain an outlook of the historic development, current market situation, trends, and future outlook of the unwrought aluminium market in the top 5 American countries to 2018

Track industry trends and identify market opportunities

Plan and develop marketing, market-entry, market expansion, and other business strategies by identifying the key market trends and prospects

Save time and money with the readily accessible key market data included in the report. The market data is clearly presented and can be easily incorporated into presentations, internal reports, etc.

The industry data reports are produced utilizing the standard methodology of Global Research & Data Services by applying, analyzing, and combining a wide range of sources and in-house analysis.

## Contents

**This market research report package includes country reports from the following countries:**

Argentina, Brazil, Canada, Mexico, United States

Below you can find the table of contents for one of the reports. All the reports have a similar structure and content so that different countries can be easily compared with each other.

Market for Unwrought Aluminium in the Country in Question

- Overall Market

- Market by Type

  - Alloyed unwrought aluminium

  - Not alloyed unwrought aluminium

Forecasts and Future Outlook

- Overall Market

- Market by Type

  - Alloyed unwrought aluminium

  - Not alloyed unwrought aluminium

Market Potential Rates

Unwrought Aluminium Market Size Compared to Market Growth in Different Countries

Market Definition

Methodology and Sources
