## Abstracts

The report Wood Based Panel Market in Morocco to 2019 - Market Size, Development, and Forecasts offers the most up-to-date industry data on the actual market situation, and future outlook for wood based panels in Morocco. The research includes historic data from 2008 to 2014 and forecasts until 2019 which makes the report an invaluable resource for industry executives, marketing, sales and product managers, consultants, analysts, and other people looking for key industry data in a readily accessible document with clearly presented tables and graphs.

The report helps answer the following questions:

What is the current size of the wood based panel market in Morocco?

How is the wood based panel market divided into different types of product segments?

How are the overall market and different product segments growing?

How is the market predicted to develop in the future?

What is the market potential compared to other countries?

The latest industry data included in this report:

Overall wood based panel market size, 2008-2019

Wood based panel market size by product segment, 2008-2019

Growth rates of the overall market and different product segments, 2008-2019

Shares of different product segments of the overall market, 2008, 2014, and 2019

Market potential rates of the overall market and different product segments

The market data is given for the following product segments:

Densified wood

Fibreboard (density over 0.8 g/cm<sup>3</sup>)

Fibreboard (density 0.8 g/cm<sup>3</sup> or less)

Other fibreboard

Particle board of wood

Particle board of other ligneous materials

Plywood (outer ply of tropical wood)

Plywood (outer ply of non-coniferous wood)

Other plywood

Veneered panels

Coniferous (softwood) veneers and plywood sheets

Light and dark red meranti and meranti bakau veneers

Veneers of other tropical woods

Other veneers and plywood sheets

## Waferboard

Among the key reasons to purchase include the following:

Gain an outlook of the historic development, current market situation, and future outlook of the wood based panel market in Morocco to 2019

Track industry developments and identify market opportunities

Plan and develop marketing, market-entry, market expansion, and other business strategies by identifying the key market opportunities and prospects

Save time and money with the readily accessible key market data included in this PDF format industry report. The data is clearly presented and can be easily incorporated into presentations and internal reports.
