Abstracts

Assistance from the government and various industry-related development organizations is facilitating the growth of the gifts and packaging sector in Vietnam.

State agencies and private stakeholders are working with suppliers to employ a variety of programs aimed at improving competitiveness. These initiatives range from promoting the sustainability of raw material sources to enhancing business practices of domestic manufacturers and design capability of artisans.

The industry has benefited from these efforts as overseas revenue in recent years has steadily increased. Demand from traditional markets, especially the US, has surged over the past 12 months. In addition, shipments to alternative destinations are seen to climb, partly because of the implementation of trade agreements Vietnam and these countries.

This report focuses on the main types of gifts and packaging from the Vietnam – decorative crafts, holiday crafts and gift packaging.
