### Abstracts

The global Bed Mattress market was valued at 314.01 Million USD in 2021 and will grow with a CAGR of 6.19% from 2021 to 2027, based on HNY Research newly published report.

The prime objective of this report is to provide the insights on the post COVID-19 impact which will help market players in this field evaluate their business approaches. Also, this report covers market segmentation by major market vendors, types, applications/end users and geography(North America, East Asia, Europe, South Asia, Southeast Asia, Middle East, Africa, Oceania, South America).

A Bed Mattress is a large pad for supporting the reclining body, used as or on a bed. Bed Mattresses may consist of a quilted or similarly fastened case, usually of heavy cloth, that contains hair, straw, cotton, foam rubber, etc.; a framework of metal springs; or they may be inflatable. For industry structure analysis, the Bed Mattress industry is not concentrated. These manufacturers range from large multinational corporations to small privately owned companies compete in this industry. The top five producers account for about 25 % of the revenue market. Regionally, North America is the biggest production value area of valves, also the leader in the whole Bed Mattress industry.
