The global Hair Dye market was valued at 260.51 Million USD in 2021 and will grow with a CAGR of 8.38% from 2021 to 2027, based on HNY Research newly published report.

The prime objective of this report is to provide the insights on the post COVID-19 impact which will help market players in this field evaluate their business approaches. Also, this report covers market segmentation by major market vendors, types, applications/end users and geography(North America, East Asia, Europe, South Asia, Southeast Asia, Middle East, Africa, Oceania, South America).

This research study involved the extensive usage of both primary and secondary data sources. The research process involved the study of various factors affecting the industry, including the government policy, market environment, competitive landscape, historical data, present trends in the market, technological innovation, upcoming technologies and the technical progress in related industry, and market risks, opportunities, market barriers and challenges. The following illustrative figure shows the market research methodology applied in this report. Hair dyeing or hair coloring is the practice of changing the natural hair color. Hair coloring is basically of 3 types: Permanent, Semi-permanent and Temporary. Often, the prime reason for hair coloring is cosmetic and enhancement of natural beauty. Hair coloring is extremely popular and various shades of hair dye are offered by almost every leading cosmetic brand. About 75% of women in the US dye their hair. Consumers use hair color and dye not only to cover gray hair but also to make a style statement. Consumers` desire to look fashionable is thus driving the hair color market. L`Or?al, the leader in the hair color market, markets its products as 'Beauty for all.' The company has endorsed many celebrities and beauty experts (so-called brand ambassadors) for product promotion

and advertising across different regions. The hair color market has also seen similar revenue from the middle-class population. Global Hair Dye Industry mainly concentrates on North America and Europe. The Global leading players in this market are L'Oréal Paris, Garnier, Henkel, Liese, Goldwell, Wella, Clairol, HOYU, Shiseido, Godrej and a few others.
